

Effective Youth-Adult Partnership Recipe

When you think about youth-adult partnerships, there are some core ingredients that help to make them effective. With this handout, you will make your own recipe for strong youth-adult partnerships.

- How many people could your recipe serve? What would be a good prep time?
- Think about what would be needed for a partnership to be effective, and add your ingredients to the recipe.
- After about 5 minutes we will come back together and ask you to share some of the ingredients you added.

Author of recipe: _____

This recipe serves: _____

Prep time: _____

Ingredients

1/4 cup _____

1/2 cup _____

1 Tbs _____

1 tsp _____

1 slice _____

1 dash _____

Instructions

1. Take the first 2 ingredients and mix thoroughly.
2. Add the next 2 ingredients and let that mixture simmer for about 6 months.
3. Add the last 2 ingredients for an effective youth-adult partnership.
