

Reflection

Think back on the club/group projects, meetings, activities and programs you have had in the year. Take a few minutes to reflect on your success and opportunities:

1. An instance when I changed the way we normally do things to create equal youth and adult roles: _____

2. An example of when I effectively worked in a youth-adult partnership is: _____

3. What holds me back from taking youth-adult partnerships to the next level? _____

Building youth-adult partnerships doesn't happen overnight, and sometimes it can be hard work! Think ahead to future meetings, projects, activities and programs. How will you work to build youth-adult partnerships?

In the next **month**, I will try: _____

In the next **three months**, I will try: _____

In the next **six months**, I will try: _____
