SMALL-BORE PISTOL

General Rules

Welcome to Small-bore Pistol Shooting!

The objective of our 4-H Shooting Sports firearms program is to teach safe handling and use of a gun, marksmanship skills so that the participant enjoys it and finds it rewarding and, perhaps most importantly, HAVE FUN!

Small-bore Pistol was added to the Wisconsin 4-H Shooting Sports Program in 2009. **Participants will need to be at least 12 years old and have completed Hunter Safety.** Participants and their families need to take note of the following:

Per BATF regulations, all pistol shooters under the age of 18 must have, in their possession, a written permission statement from their parent or guardian stating their permission to possess and fire Small-bore Pistols. In accordance with federal laws pertaining to youth and pistols (see Youth Safety Handgun Act), the National 4-H Shooting Sports Program prohibits the transportation of a pistol for any reason by a youth under 18 years of age. Arrangements must be made for an adult to transport all small-bore pistols.

The **Small-bore (.22) Handgun Parent/Guardian Authorization** (consent form) follows this update. The page contains two forms that will be used for the Wisconsin 4-H Shooting Sports Small-bore Pistol discipline. Both forms need to be signed, witnessed, and dated. One form needs to be given to the County or Club 4-H Shooting Sports Certified Pistol Leader to keep on file. The other form needs to be laminated and kept in the pistol case so the youth has access to it at every training session or pistol competition. **Youth will only be able to shoot the pistol at a 4-H event (practice or competition) after presenting the completed form when checking in-to the event. We recommend keeping this form in the pistol kit being used by each youth participant. Youth will also need to present proof of completion of DNR Hunter Safety.**

Youth under the age of 18 may NOT possess a small-bore pistol without adult supervision. This includes driving themselves to the event or even walking from the parking lot into the building. Similarly, at any match, parents may not just hand the cased gun to their youth in the parking area and send them on their way to the pistol event. A parent or guardian needs to accompany the youth to and from the .22 pistol event.

EYE AND EAR PROTECTION REQUIRED You may be aware that eye protection is required for Air Pistol. For Small-bore Pistol, ear protection will also be required. Ear plugs and/or protective muffs will do. A number of pistol instructors wear both. Please visit a hardware store, a sporting goods store or sporting goods department at a neighborhood store to get proper hearing protection. Hearing protection is usually rated in terms of how much decibel reduction they provide. A higher number gives more protection.

SMALL-BORE PISTOL EVENTS There will be three events for Small-bore Pistol at this invitational. The events are Slow Fire, Timed Fire and Rapid Fire. These bullseye events will be shot one-handed.

PISTOLS and AMMO

Participants will need to bring their own .22 Long Rifle **non-jacketed** ammunition and pistol. Semiautomatic pistols are easier to shoot with for most competition, mostly because you don't have to thumb cock the hammer for each shot (remember, bullseye will be shot one-handed). Good semiautos are available from Ruger, Browning, Smith & Wesson and others. Feel free to discuss your pistol choices with your instructors.
