

2024-2025 WISCONSIN 4-H

PROGRAMS & EDUCATIONAL EXPERIENCES

A LETTER TO YOU

Dear Wisconsin 4-H members, leaders, and families,

Welcome to the 2024-25 Wisconsin 4-H year!
We are so excited to have you as part of this growing, thriving, and passionate community, and hope you have the best 4-H year ever!

As a 4-H member, you have many opportunities to find your "spark" through experiences at the club, county, state, and national level (a "spark" is something that inspires curiosity, feels exciting, and you'd like to learn more about). Sometimes, there are so many choices in 4-H that it can be difficult to learn about them all. That's where this "4-H Opportunities" booklet comes in! We are excited to provide this one-stop shop for you to explore and dream about all the educational experiences available to you as a Wisconsin 4-H member.

Are you ready to take the next step in 4-H? From attending national trips, joining statewide teams, to exploring the world, the possibilities are (almost) endless. You may not be old enough for all of these experiences yet, but I encourage you to plant the seed of "what could I do in 4-H?" now and watch it grow in the years to come. Many 4-H alumni share inspirational stories about how much they gained (such as new friends, independence, and travel in new communities) from their statewide experiences.

Enjoy learning about all of the amazing opportunities available to you in Wisconsin 4-H.

Time to explore!
